Fontanabianca 2021 Bordini Nebbiolo (Barbaresco)

A medley of wild berries, both dried and preserved, envelops whole cloves and cinnamon sticks, while subtle rose aromas drift by. Cherry jam, bay leaf, and black tea mingle with a hint of licorice root and black pepper. On the palate, firm tannins and a chewy finish create a lasting impression, inviting contemplation and savoring of this Barbaresco with richer dishes, think pot roast, grilled mushrooms or mole negro.

Fontanabianca 2021 Serraboella Nebbiolo (Barbaresco)

Simmering black cherry aromas dusted with a full spice cabinet lift from the glass in an almost ghostly manner. Dried rose petals along side sage, bay leaf, thyme and black tea develop as the wine opens. Just like a wave the wine stars off in the distance but swells to a crescendo of tart red fruits, savory spices, tobacco and dried earth. Elegant tannins hold the wine in place wanting to share the load with a savory dish of roasted meats and veggies. Drink 2026 - 2045
